

## Region 2000 Bicycle Plan

Adopted October 21, 2010 by:  
Virginia's Region 2000 Local Government Council  
Central Virginia Metropolitan Planning Organization

This report was prepared for the Virginia's Region 2000 Local Government Council (LGC) in cooperation with the Central Virginia Metropolitan Planning Organization (CVMPO), the U. S. Department of Transportation (USDOT), the Federal Highway Administration (FHWA), and the Virginia Department of Transportation (VDOT). The contents of this report reflect the view of the staff of the Local Government Council who is responsible for the facts and the accuracy of the data presented herein. The contents do not necessarily reflect the official view or policies of the FHWA, VDOT, or the Local Government Council. This report does not constitute a standard, specification, or regulation.

FHWA or VDOT acceptance of this report as evidence of fulfillment of the objectives of this planning study does not constitute endorsement/approval of the need for any recommended improvements nor does it constitute approval of their location and design or a commitment to fund any such improvements. Additional project level environmental impact assessments and/or studies of alternatives may be necessary.

Inquires should be submitted to:
